MEMBERSHIP TYPE
Please select one of the following options

Pre-Authorized Chequing (PAC) Membership
 A PAC Membership is always current, so that you can be sure you are entitled to participate in all Party activity. PAC is also the most effective way to support the important work of the Party, because regular contributions allow us to plan for the future. It also means fewer mailings, saving money and paper.

General Membership
 The minimum fee for a general membership is \$10. The minimum fee is waived for the underemployed if requested, but a cash fee of some kind is still required.

Please mark this box if the \$10 fee waiver is requested, and please enclose the membership fee you can afford.

A General Membership remains in effect 12 months from your last contribution to the B.C. NDP. (Please note donations to the NDP of Canada do not renew your B.C. NDP membership.)

Young New Democrat (YND) Membership
 A YND Membership entitles you to updates on the activities of the YND. You must be under the age of 26 to be eligible for a YND membership. There is no minimum fee for YND membership, but a cash fee of some kind is required.

In the NDP's efforts to build and strengthen our party, we are expanding our direct mail program in order to recruit new members and donors. We will occasionally be exchanging our mailing list with other carefully screened, like minded non-profits organizations. This helps us reach new supporters and raise much-needed funds. It is another way you can make an important contribution to the NDP's work on behalf of ordinary British Columbians. If you prefer to have your name removed from lists that are traded with other progressive organizations, please check this box. I do not wish to participate
